## Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a *Book of Swamp-Root*, completely telling all about Swamp-Root, containing many of the thousands of testimonials received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root. Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

## IN THE LITERARY WORLD

Notes of New Books, Authors And the Current Magazines

The Christmas number of *Everybody's Magazine* is one of the biggest and best that the publishers have ever put out. It is rich in notable and significant articles, and in stories that are worth while. Its most important offering, in view of the recent financial crisis, is, "What Caused the Panic?" an authoritative and timely discussion by Lyman J. Gage, Thomas W. Lawson, Prof. W. G. Sumner, Stayveant Fish, James J. Hill and Byron W. Holt.

The question, "What is a Good Man?" is answered significantly in a symposium by Archbishop Ireland, Thomas W. Lawson, General Count Katsura, Prime Minister of Japan, H. G. Wells, and Prof. Edward Alsworth Ross. A third important contribution is a caustic criticism of America and Americans by George Bernard Shaw, in "A Nation of Villagers." In this Mr. Shaw well sustains his reputation of saying the unexpected.

The December American Magazine is really extraordinary in importance and interest. The recent financial crisis, the whispered denunciations of the President, make Miss Turbell's defence of Roosevelt, in her new series "Roosevelt vs. Rockefeller," a timely contribution of great significance.

There is plenty of amusement in the number. George Fitch's character sketch of "Uncle Joe" Cannon is a little masterpiece of wit and wisdom. McCutcheon's cartoons add to the fun. Then there is a story, "Greys will be Greys," by the author of "Pigs is Pigs," and a story "Mister Clinch Thurston's Duel" by Edward Peppie, and an article on "Footlight Fiction: the wonders performed by press agents," in which the truth is told about Anna Held's milk bath and other theatrical "histories."

Lincoln Steffens's story, "The Mate and the Beam," is full of surprises, not the least of which is the shame of California—photographed.

The *Hohemian* for December publishes the old year with an issue that is

"My little girl is subject to colds," says Mrs. Wm. H. Serig, No. 41 Fifth St., Wheeling, W. Va. "Last winter she had a severe spell and a terrible cough but I cured her with Chamberlain's Cough Remedy without the aid of a doctor, and my little boy has been prevented many times from having the croup by the timely use of this syrup." This remedy is for sale by all dealers.

## PAIN

Pain in the head—pain anywhere, has its cause. Pain in the head, pain in the blood—nothing else usually. At least so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablets—cures blood pressure away from the centers of the brain, and the blood pressure is brought back to normal, and the blood circulation is restored.

If you have a headache, it's blood pressure. If it's painful periods with women, same cause. If you are restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablets cure it in 20 minutes, and the tablets simply distribute the blood pressure.

Brise your finger, and doesn't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is always. It's simply Common Sense.

We sell at 25 cents, and cheerfully recommend

### HAIR TELLS CHARACTER.

Color of Hair Said to Indicate a Person's Temperament.

Many people believe that blonde, or light hair denotes affection and dark hair constancy. A person without hair is not devoid of character; far from it. The disposition of the average bald-headed man is to show such solicitude for the welfare of others, that he neglects himself. A curly cause baldness. Prof. Sabouraud, of Paris, France, has accumulated a rabbit with Dandruff germs, causing it to become totally bald in five weeks' time. To rid the scalp of these dangerous germs it is necessary to apply Newbich's Herpicide.

Destroy the cause—you remove the effect.

Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.
